

## **REQUIREMENTS FOR HOUSEHOLD IMPORT SHIPMENTS INTO MEXICO.**

For household shipments for foreign owners, Mexican customs authorities request:

- Complete and detail list of all items (electric and electronics devices must declare serial number, mark and model)
- Copy of FM2 / FM3
- Complete addresses from USA and the one in México
- Letter to declare the total value of items (we will provide format)
- Agreement of choosing customs broker

### **It is not allowed to bring:**

- Any kind of food (including salt, pepper, cereals etc)
- Any kind of live plants
- Any kind of live animals
- Any kind of weapons
- Any kind of medicines
- Any kind of sanitary items (toilet papers, sanitary towels, diapers etc)

At shipment arrival at Progreso Port we will open the container in presence of one of you in order to confirm everything is in order and everything is allowed to customs, in order to avoid fines at customs. Then shipment coordination for clearance will be very close.

For better results we will like to review items list before shipping to verify it
